NE reason Mrs. Pinkham's treatment helps women so promptly is that they have confidence in her. Through some of the many thousands of Mrs. Pinkham's friends an ailing woman will be led to write to Mrs.

Pinkham at her home in Lynn, Mass., and will tell her symptoms. The reply, made without charge of CONFIDENCE any kind, will bear such evidence of knowledge of the trouble that belief in her advice at once inspires CURE

This of itself is a great help. Then the knowledge that women only see the letters asking for advice and women only assist Mrs. Pinkham in replying makes it easy to be explicit about the little things that define

MRS. ELIZA THOMAS, of 634 Pine St., Easton, Pa., writes: "DEAR MRS. PINEHAM-I doctored with two of the best doctors in the city for two years and had no relief until I

began the use of your remedies. My trouble was ulceration of the womb. I suffered something terrible, could not sleep nights and thought sometimes that death would be such a relief. To-day I am a well woman, able to do my own work, and have not a pain. I used four bottles of Lydia E. Pinkham's Vegetable Compound and three packages of Sanative Wash and cannot thank you enough for the good it did me. MRS. M. STODDARD.

Box 268, Springfield, Minn., "DEAR MRS. PINKHAM-For about four years I was a great sufferer from female troubles. I

had backache all of the time, no appetite, pains in stomach, fainting spells, was weak and my system was completely run down. I also had falling of womb so bad that I could scarcely walk across the floor. After taking two bottles of your Vegetable Compound and one box of Lozengers, can say I am cured."
